**RESEARCH GROUP**

**COMPOSITE MATERIALS & MANUFACTURING PROCESS**

# RESEARCH STATEMENT

## COMMANPRO RESEARCH GROUP

This research group is design to actively motivate research and knowledge in composite materials and manufacturing processes. The group is responsible to systematically document, analyze and distribute the types of composites, mechanical and material properties, machining processes and optimization process for composite machining

**Keyword: *composite materials, manufacturing process, machining, optimization***

# COMMANPRO

## Structure & Committee

### Advisory Board

PROF. IR DR NANGKULA UTABERTA

PROF. DR MOHAMAD ROM BIN TAMJIS

### Committee Members

DR NURHANIZA BT  
MOHAMAD  
(GROUP LEADER)

MR RUSDI BIN MAT  
SONG

MR MOHD. RADZI BIN  
ALI

DR NORHASNIDAWANI  
BT JOHARI
